

The International Institute of Medical Qigong and Henan University

Medical Qigong Practitioner Program

Degree in Traditional Chinese Medicine

What is Medical Qigong?

Medical Qigong is an ancient form of Chinese Energetic Medicine, dating back at least 5000 years. It is the most metaphysical of the four branches of Traditional Chinese Medicine. Qigong Practitioners study, utilize and master the secret knowledge passed down from the Qigong healers of ancient times.

Medical Qigong Classes

are an exciting way to accelerate your own personal growth as you develop the skills of a true healer. These in depth classes lead to certification at the Practitioner, Therapist and Master levels, from the International Institute of Medical Qigong and the Henan University of China.

Transform your life as you practice Qigong exercises and meditations, give and receive powerful healing sessions and become a master of such mystical healing arts as Invisible Needles, Distance Therapy, Imprinting Qi, Emitting Hot and Cold Energies, Sound Theray, Color Therapy, Vibration Emission and much more. We will use Chinese Medical Qigong Therapy, Volumes One through Four by Professor Jerry Alan Johnson.

"I now know that Medical Qigong will be a life-long study of mine, I thank Wendy for this, her expanded awareness, and her gentle, loving personality that is the true mark of a very fine teacher." HH

Wendy Lang MMQ has been teaching and practicing Qigong since 1987 and has a Master's degree from the International Institute of Medical Qigong. She offers classes in California, Canada and Mexico and is also the creator of the Sacred Images of Tibet calendar, card and journal series.
